

Mystic
MYSTIC SEA PORT

MYSTIC SEA PORT

Philippedada said that **New Mystic** by Alan Prescott Typography (shown in red) is a match to **Mystic** on page 15.

Phiippedada also noticed that **Campanile** has a showing on page 15 but is not mentioned in the Index of the Solotype Catalog nor the Solopedia as being on that page.

Campanile is shown inside *Border Combo 250*
