BRIGHT FESTIVE BRUNCH

Philippedada said that **New Armenian** by Alan Prescott Typography (shown in red) is a match to **Armenian** on page 16 of the Solotype Catalog. Just like Character's digitization, the font also has no numerals.

Philippedada also noticed that **Miss Kitty** on page 16 has a matching digitization in the **Wild West Wind** but it still has a **No** in the *Match* column.
